

## **Terms and Conditions for Payment Options**

**If you select one of these payment options, you acknowledge and agree to each of the following:**

By selecting a payment option, you authorize Jets Stadium Development LLC (or "JSD") to initiate electronic debits to the payment method you select (Visa, MasterCard, American Express, or Electronic Check), or to any updated payment method that you subsequently supply to JSD (your "Payment Method"), for the payment of Personal Seat License (or "PSL") installments. These debits will be made, according to the option that you select, in the amount and on the payment dates specified on the applicable PSL invoice, or in any subsequent pricing notification.

If you select an automatic payment option, your authorization extends to subsequent PSL installments that you are required to make. If you previously enrolled in an Automatic Payment Option, you will continue to be enrolled in that plan for 2024.

JSD may reinitiate any electronic debit to your Payment Method that is unsuccessful. For example, JSD may, at its option, debit your Payment Method for a prior unsuccessful payment amount plus the scheduled payment amount. If two debits are not honored with respect to any installment, JSD, in its sole discretion, has the right to remove you from your selected payment option. Your bank may charge you a fee if a debit is not honored, and JSD will have no liability for any such fee. JSD may initiate a credit or debit, as applicable, to your Payment Method to correct any error JSD may have made in seeking a payment.

Payments are due on October 15, 2024, November 15, 2024, and December 16, 2024. JSD may offer more payment options, and the number and dates of payments will be adjusted accordingly.

JSD reserves the right to terminate or modify these payment plans, including, without limitation, the number of installments, and/or installment payment dates. JSD will provide notice as required by law.

These payment options do not require you to pay any additional interest and do not include any additional fees.

### **Changing Your Payment Method Authorization**

You may change or terminate your Payment Method authorization at any time by contacting your New York Jets Representative. It may take up to three business days for the change to take effect. JSD reserves the right to terminate this authorization at any time. If this authorization is cancelled or terminated, you must set up other payment arrangements for any remaining payments due, or, if applicable, for any subsequent PSL payments.
