THE FLEUR DE LIS

The Fleur de Lis, the emblem that the Saints wear on their helmets, is a symbol from the Court of Louis XIV. It is a french word that stands for "flower of the lilly."

The Fleur de Lis is a symbol of New Orleans which was adopted during the French occupation of Louisiana, from 1682 through 1762.

Traditionally, it has been used to represent French royalty, and in that sense it is said to signify perfection, light, and life.

Due to its three "petals," the fleur-de-lis has also been used to represent the Holy Trinity.

TOM BENSON

Owner

Entering his 14th season as owner of the New Orleans Saints, Tom Benson is widely recognized as one of the National Football League's most successful and influential leaders. Benson has built his NFL reputation through a record of accomplishments and service to the league and his community. Since 1985, when Benson stepped in and saved the team from leaving New Orleans, the Saints achieved their first winning season and their first NFC Western Division title. Under Benson's direction and leadership, New Orleans has hosted three of eight Super Bowls during his ownership tenure.

Benson's vision and commitment to New Orleans was evident when he guided the team into a new practice facility at the start of the 1996 season, the culmination of a program of state-funded capital improvements. These projects, tied to a new multi-year lease between the Saints and the state-owned Louisiana Superdome, include the new 18,000-seat downtown arena, the AAA baseball stadium in Jefferson Parish, the Alario multi-purpose facility and a three-year program of improvements to the Superdome which was completed prior to Super Bowl XXXI.

Benson has played an important role within the NFL community. He is a member of the league's Finance committee, a member of the Broadcast committee, International committee and the NFL's Legislative committee.

He spearheaded the process that expanded the league to include the Charlotte and Jacksonville franchises and he negotiated the most recent contract to extend the services of Commissioner Paul Tagliabue. Benson's involvement in the NFL began innocently in 1984 when he learned that the Saints were about to be sold to out-of-town interests that would move the team from New Orleans. Benson understood the economic impact and general importance of the franchise to the city. His initial intent was to become a partner in a local group motivated to step in, purchase the team and keep it in New Orleans. Subsequently, Benson actually put the group together, purchased the team on May 31, 1985, and became sole owner in 1992.

Benson was born in New Orleans in 1927 and grew up on the edge of the city's sprawling 9th Ward. One of four children of Tom Sr. and Carmen Benson, he was educated at St. Aloysius High School (now Brother Martin) and Loyola University. As a youngster, he played football for St. Roch Park and earned spending money delivering the

Times-Picayune newspaper.

After studying business and accounting at Loyola,
Benson went to work as a bookkeeper for the
Cathey Chevrolet Co. in New Orleans in 1948.

By 1956, at age 29, Benson was on his way to San Antonio, Texas to manage a Chevrolet dealership as a junior partner. Six years later he took full control of the company and established the Tom Benson Motor Company. That acquisition spawned what became Benson Automotive World, a multi-dealership organization with 33 franchises and outlets in New Orleans, San Antonio and Corpus Christi. In 1972, Benson entered the banking business and eventually took his banking network public as Benson Financial World.

Appreciative of New Orleans' schools, business community and people, Benson and his brothers, Jerome and Larry, established the Free Enterprise Resource Center at Brother

Martin High School in honor of their parents. He has endowed chairs in free enterprise at St. Mary's University and banking at Incarnate Word College. He serves on the President's Council of Loyola University, his alma mater.

Community service to at-risk youth has been a hallmark of Benson's tenure as team owner. A few examples include: Benson Hoops, the often emulated midnight basketball program in the inner city; Saints Flag Football in New Orleans middle schools; the Saints Venture Fund & Impact Grants program in conjunction with United Way and a Play Football program for underprivileged kids. He has guided the Saints' support of football at all levels in the region, from playgrounds through high school and college programs to the Sugar Bowl and Bayou Classic.

Benson has received several honors for his community involvement, a few of which are: American Tradition Award from the B'nai Brith Foundation of the U.S.; Rev. Jacques E. Yenni Award for Community Service from Loyola University; N.A.D.A. Northwood Institute for Outstanding Service to Education; Brotherhood Award of the National Conference of Christians and Jews; Order of St. Louis Medallion for dedication to church from the Archdiocese of New Orleans; 1986 Brother Martin Alumnus of the Year; Insigne Verbum Award from Incarnate Word College; Honorary Doctor of Science and Business from Cleary College; Honorary Doctor of Humane Letters from Loyola University; and Honorary Doctor of Laws from Northwood University.

Benson and his wife, the former Grace Trudeau of New Orleans, share a family of five children: Renee, Donn, Susan, Rick and Mimi, plus six grandchildren.

Saints owner Tom Benson and head coach Mike Ditka address the media following the team's 1999 NFL Draft.

BILL KUHARICH

President/General Manager/Chief Operating Officer

Bill Kuharich enters his third year as President/General Manager/Chief Operating Officer of the New Orleans Saints.

In his role, Kuharich manages the day-to-day operation of the entire organization including football operations, marketing and administration and finance. Prior to being named President/General Manager/Chief Operating Officer in January 1997, Kuharich served as Executive Vice President/General Manager during the 1996 season.

His tenure with the Saints originally began when he was hired by the late Jim Finks as New Orleans' director of player personnel, a posi-

tion he held from 1986-93. In 1994, he was promoted to Vice President of Football Operations where he remained until being promoted in 1996.

Kuharich was the driving force behind the hiring of head coach Mike Ditka, the Saints 12th head coach. "Bill spearheaded the search for a new head coach and he was solely responsible for bringing Mike Ditka to the table," said Saints owner Tom Benson. "I have the highest confidence in Bill's ability to lead this organization."

The Kuharich/Ditka combination has already proven dividends. The Saints continue to build the team through younger, faster, stronger players. "It is important that our direction continues to be unified...that decisions about the organization are done in concert with the ultimate goal of making this club a winner again," Kuharich added. In their first year together, the team improved its win-loss record and fielded the 4th rated defense in the league.

"Mike and I have the same goal and that is to get this team to the Super Bowl," said Kuharich. "The city of New Orleans and our fans deserve it."

Although Kuharich's rise in the football hierarchy has been a gradual one, he is today the NFL's youngest President/General Manager/Chief Operating Officer at age 45. Since becoming involved in professional football, Kuharich has had the fortunate opportunity to encounter virtually every aspect of the front office. All of which, he was under the direct tutelage of some of the finest football administrators in the game.

By the time he was 29, Kuharich was working as an administrative assistant to Carl Peterson, then general manager of the Philadelphia Stars of the USFL. A year later, in 1984, he was elevated to assistant general manager/director of player personnel. In the club's three years of existence (1983-85), it posted a record of 48-13-1, played in all three championship games, winning each of the last two.

In addition, Kuharich was exposed to football at an early age, and he took full advantage of this invaluable opportunity. His father, the late Joe Kuharich, was a collegiate head coach at San Francisco (1948-51) and Notre Dame (1959-62), and an NFL head coach with the Chicago Cardinals (1952), Washington Redskins (1954-58) and the Philadelphia Eagles (1964-68). During his stay in Philadelphia, Joe Kuharich doubled as the club's general manager. He was also an assistant with the Pittsburgh Steelers (1946). His 1951 University of San Francisco team went 9-0 and was made up of four future NFL Hall of Famers, including former Commissioner Pete Rozelle, Ollie Matson, Gino Marchetti and Bob St. Clair.

Kuharich football acumen was further developed as he spent a majority of his childhood around his father and the teams he coached. His summers consisted of serving as a ball boy in training camp. "I was able to absorb all of these thoughts and ideas from being around football people all my life, getting on-the-job training," Kuharich said. The Kuharich legacy in professional football is anchored in the fact that he and his father are the first father/son combination in the history of the NFL to serve as general managers.

Kuharich learned first-hand from his father that resiliency is a trait that is necessary to survive in this profession as well as in life. After a few setbacks as a first-year NFL coach, his father was hired as head coach of the Washington Redskins, and in 1955 was named NFL Coach-of-the-Year after leading the Redskins to a regular season record of 8-4. In 1970, his father was diagnosed with cancer and was given one year to live. He won the battle and survived cancer for 11 more years before passing away in 1981. "I have seen first-hand the many obstacles as well as the successes that

one encounters in this profession," said Kuharich. "My father certainly left an inedible impression on me...one that I think will help serve me not only in my life but also in making this organization a winner again."

In addition to his late father, Kuharich will utilize many ideas that he acquired from his football mentors. During his professional career, he has been tutored by two of the most respected men in the football business.

With the Stars, Kuharich worked under Carl Peterson, who also served as Director of Player Personnel with the Philadelphia Eagles from 1977-82, and is now the President/General Manager and Chief Operating Officer with the Kansas City Chiefs. With the Saints, Kuharich spent eight years working and learning under the late Jim Finks, a 1995 inductee into the NFL Hall of Fame who was responsible for building Super Bowl clubs in Minnesota and Chicago, and who turned around the fortunes of the Saints after just two years on the job. "Carl Peterson and the late Jim Finks are two of the most respected men in professional football. I couldn't have asked for better teachers," Kuharich said.

Kuharich attributes much of the knowledge he has gained in football to Finks. "No doubt about it, Jim was the greatest influence on me in my professional career," said Kuharich. "There won't be a day that I won't be able to draw on something that I've learned from him."

During Kuharich's tenure as director of player personnel, the Saints posted 77 regular season victories, fourth-most in the NFL over this eight-year stretch. In order to maintain this success, the Saints, during the recent offseason, have made sweeping changes under Kuharich. With the objective of building the 1999 Saints into a Mike Ditka-style team, Kuharich has guided the offseason acquisitions of WR Eddie Kennison, G Wally Williams and brokered a draft-day deal enabling the Saints to draft Heisman Trophy RB Ricky Williams, college football's most prolific runner.

The work ethic Kuharich displays can also be traced to his family roots. "From an early age, he taught us the way to do things was not to cut corners," said Kuharich of his father, a first generation American, whose family emigrated from the former Yugoslavia. "He considered the biggest sin in life was to give up, and he instilled this belief that you don't quit, and you definitely don't take the easy way out."

A graduate of Middlebury College in Vermont with a B.A. in History, Kuharich started his football career as a graduate assistant coach at Brown University in 1976. His first full-time post came as offensive backfield coach at Hawaii in 1977.

After leaving Hawaii, Kuharich went to work for the United States Department of Defense as an administrative assistant to field operations. During that time he also served as a volunteer assistant coach at Georgetown in 1978. He resumed his coaching career in 1979 when he assumed a full-time position as an assistant at St. Lawrence, where he earned his master's degree in education. After one year, he went to Columbia University as an assistant, and spent the next two seasons there

In addition to his duties with the Saints, Kuharich is a member of the NFL's College Relations Committee.

Although building successful franchises is a year-round effort, Kuharich has many interests away from football. He is a history buff, and enjoys reading and playing golf.

Kuharich, who was born March 25, 1953 in Skokie, Illinois, resides in Destrehan with his wife, Betsy, and daughters, Megan Ashley (6) Alexis Marie (4) and Kelli Elizabeth (2).

In his job with the Saints, Bailey will be responsible for scouting, evaluating and acquiring talent on the Saints and around the National Football League, and contract negotiations.

Orleans Hospitality Accountants Association, and was on the board of directors of the New Orleans Hotel and Motel Association. Bruce and his wife, Lynn, live in New Orleans. They have two sons, Bruce, Jr. and Mark and two grandchildren, Sara (9) and Brian (5).

MIKE DITKA **Head Coach**

MIKE DITKA was named the 12th head coach of the Saints on January 28, 1997. He signed a five-year contract extension, 8/5/98, placing him under contract through the 2002 season.

He holds an overall career coaching record of 124-88, including his first two seasons coaching the Saints, and the 11 seasons he coached the Chicago Bears. He holds a 118-82 regular season coaching record. Ditka is currently the only active NFL coach in the Hall of Fame and ranks first in regular season winning percentage (.590) and

second in overall winning percentage (.585) among active NFL coaches who have coached at least 100 career games.

Ditka came to the Saints after spending four years as an NFL commentator and analyst on the NFL on NBC. "I think we have the players to win our division," said Ditka. "That's our goal this year. We'll find a way to win. We'll find it." Ditka brings to this challenge a propensity to win with hopes of bringing success to an organization, which has only had five winning seasons in the history of the club.

Ditka has realized success as an All-American at the University of Pittsburgh, NFL Rookie of the Year (1961), All-Pro (1961-66), Super Bowl Champion as a player with Dallas (1972), Super Bowl champion as an assistant coach with Dallas (1977) and Super Bowl Champion as head coach of the Chicago Bears (1986).

In 1988, Ditka, who played in five Pro Bowls and two league championships (1963 and 1971), became the first tight end to be inducted into the Pro Football Hall of Fame. Ditka's connection to the city of New Orleans and the Super Bowl run deep. He played in Super Bowl VI when Dallas defeated Miami 24-3 at Tulane Stadium and coached as an assistant for the Dallas Cowboys in Super Bowl XII at the Superdome. His singular most memorable moment as a player or coach was Super Bowl XX where he coached the Chicago Bears to a 46-10 victory over the New England Patriots.

Under Ditka, the Saints doubled their win total (6-10) from the previous season in 1997, while immediately stamping the New Orleans defense with his signature, finishing fourth in the entire NFL. The six win total was the second-best inaugural season victory total by a first-year head coach in team history.

During his 11 years with the Bears, Ditka's teams dominated the NFC Central with 52 regular season victories between 1985-88. This mark is the most ever by an NFL team in any four-year period. Ditka ranks second among every Bears coach in both tenure and victories. He trails only his first pro coach (1961), George Halas, the team's founder and coach for 40 seasons. Ditka coached the Bears to six NFC Central titles, three appearances in the NFC title game, and a Super Bowl victory. In 1985, Ditka's team posted an 18-1 record. After Super Bowl XX, Ditka was named Coach of the Year.

Ditka is the only Chicago Bear coach to lead his club to five straight post-season appearances. In 1988, Ditka won Coach of the Year honors during the same season in which he suffered a midseason heart attack (11/22/88), and posted a 12-4 regular season record. The Bears would lose to the San Francisco 49ers in the NFC Championship game at Soldier Field.

Ditka began his NFL career in 1961 when he was drafted by the Chicago Bears in the first round (fifth overall) from the University of Pittsburgh. Ditka's impact was immediate catching 56 passes and earning NFL Rookie of the Year honors. Ditka played six total seasons with the Bears, earning Pro Bowl honors in each of his years with the Bears, before being traded to Philadelphia in 1967. After spending two years with the Eagles he was traded to Dallas where he played four more years. He caught a touchdown pass in the Cowboys' 24-3 victory over the Dolphins in Super Bowl VI.

The final tribute to Ditka's playing career was bestowed upon him 16 years after his retirement

from football when he was inducted into the Pro Football Hall of Fame (July 30, 1988). Ditka retired from playing football following the 1972 season, but was soon hired by Cowboys' head coach Tom Landry as an offensive assistant and special teams coach. In Ditka's nine seasons as an assistant with the Cowboys, his teams were in the playoffs eight times, won six divisional titles, three NFC Championships, and the Super Bowl following the 1977 campaign.

Born October 18, 1939, in Carnegie, Pennsylvania, Ditka was raised in nearby Aliquippa where his father, Mike Sr. worked on the railroad. He participated in three sports at Aliquippa High School, playing basketball and baseball and football. He enrolled at the University of Pittsburgh and was an All-American as a senior in 1960. Ditka played defensive end, linebacker, tight end and ranked among the nation's top punters with a 40-yard average in his final three seasons.

He is actively involved in numerous charitable endeavors including Fellowship of Christian Athletes, Sports Teams Organized for Prevention of Drug Abuse, and the Say No to Drugs campaign. The Mike Ditka Foundation, established in 1989, raises money for Misericordia, a residential facility for developmentally disabled youth, and for the pediatric AIDS program at Children's Memorial Hospital. Ditka continues to assist his alma mater by sponsoring the Mike Ditka Endowed Scholarship Fund at the University of Pittsburgh to which he will contribute \$100,000 throughout the

Since his days with the Chicago Bears, Ditka has opened Iron Mike's Grille, located in the Tremont Hotel in Chicago. His favorite hobby remains golf to which he plays to a six handicap. He also has a collection of antique cars and a Harley Davidson. Mike is married (Diana) and they reside in New Orleans. They have four children; Mike (39), Mark (38), Megan (36), and Matthew (32).

DANNY ABRAMOWICZ, Offensive Coordinator

Danny Abramowicz enters his third season as offensive coordinator of the Saints, following five years as the Chicago Bears special teams coach. In 1995, the Bears led the NFL with five blocked kicks, while also leading the league in opponents gross and net punting average.

Abramowicz was one of the most prolific receivers in NFL history. He was a 17th-round draft choice by the New Orleans Saints in 1967 and played six seasons with the Saints before concluding his career with the San Francisco 49ers (1973-74). In 1969, Abramowicz led the NFL

with 73 catches and was named All-Pro and the Saints' MVP. He is second in Saints' history in catches (309), yards (4,875), and TDs (35), trailing Eric Martin, who passed him in 1990. Abramowicz completed his pro career with 371 receptions for 5,704 yards and 39 TDs.

Abramowicz graduated from Xavier University in Cincinnati in 1967 with a degree in education. He has been inducted into the Xavier and Saints' Halls of Fame, the National Polish Hall of Fame, and was named to the Saints' Silver Anniversary Team in 1991. Following his football career, Abramowicz was a salesman in the oil field industry and also spent five seasons on the Saints Radio Network as an analyst. He left private business in 1989 to become head coach at Jesuit High School in New Orleans where he compiled a 20-14 record before joining the Bears. He also founded the Catholic men's spirituality group "The Monday Night Disciples".

Born July 13, 1945, in Steubenville, Ohio, Danny and his wife, Claudia have two sons, Danny and Andrew and one daughter, Stephanie.

ZAVEN YARALIAN, Defensive Coordinator

Zaven Yaralian came to the Saints after spending 1993-96 with the New York Giants as their secondary coach. Similar to his success in New York, Yaralian's troops were at or near the top of the NFL in several major defensive categories. In 1998, the Saints ranked 1st in the NFC and 3rd in the NFL in red zone defense, and tied for 1st in the NFC and tied for 4th in the NFL with 21 interceptoins.

Yaralian's defensive strategy improved a defense that ranked 13th in total defense in 1996 to 4th in 1997. In addition, the Saints defense finished sixth in the NFL in pass defense, second in yards allowed per

play, and led the NFL with a club-record 59 sacks in 1997, and set a team record with 9 defensive

In his first year with the Giants, he helped direct a unit that allowed the fewest points in the NFL (205). In 1994, the Giants were the second-best defense against the pass over the final six weeks of the season. Under Yaralian, the Giants' secondary has ranked 10th in 1993, 8th in 1994, and fourth in 1995. The Giants secondary posted 21 interceptions in 1996, tied for the fifth-best total in

Yaralian began his coaching career as a graduate assistant at his alma mater, the University of Nebraska, in 1975. He then coached the defensive backs at Washington State in 1976 and 1977 before moving on to the University of Missouri in the same role from 1978-82. Yaralian served as the secondary coach at the University of Florida from 1983-87 and was the Gators defensive coordinator as well from 1985-87. He coached the defensive backs at the University of Colorado from 1988-89 before joining the Bears staff prior to the 1990 season. Yaralian was a member of the coaching staff of Colorado during their national title game against Notre Dame in the 1989 Orange

BOBBY APRIL, Special Teams

Continuing the pattern of success established at every stop in his career, Bobby April's special teams units continued to shine in 1998. In 1998, the Saints special teams set a team record for field goal conversion percentage, and led the NFC in punting average. In 1997, the Saints boasted the highest punting average in the NFL, the fourth-most accurate field goal kicker in team history, and the third-ranked kick returner in the NFL. In addition, the Saints special teams tallied the second-highest punt return yardage total in team history, which was more than the previous two years combined, tied for the longest kickoff return

in the NFL, and the longest in team history.

April, a native of Chalmette, La. (a New Orleans suburb), returned to his roots, February 6, 1996. After serving as the special teams coach for the Pittsburgh Steelers from 1994-95, April was hired to coach in the same capacity with the Saints. In 1996, the Saints' special teams ranked third in the NFL in kickoff return average and tied for seventh in field goal percentage.

April served as tight ends/special teams coach with the Atlanta Falcons from 1991-93. During his tenure in Atlanta, the Falcons led the NFL in blocked kicks (1991), field goal defense (1991), kickoff return average (1992) and field goal offense (1993). They were second league-wide in field goal defense (1992) and kickoff return offense (1993), and third in field goal offense (1992) and field goal defense (1993). In his first season with the Steelers, Pittsburgh finished fourth in the NFL in punt return defense and played for the AFC Championship. In 1995, Pittsburgh led the league in field goals made (34) and kickoff return defense (17.5 avg.), and represented the AFC in Super Bowl XXX.

Prior to entering the NFL, April spent 13 years as an assistant at the collegiate level. After serving as a graduate assistant at Southern Mississippi in 1978, he was awarded his first full-time post the following year at Tulane. He went to the University of Arizona in 1980, and spent the next seven seasons with the Wildcats, coaching the defensive line and secondary, in addition to his duties with the kicking game. He joined head coach Larry Smith at USC in 1987, and had a four-year stay with the Trojans, as both secondary coach and kicking game coordinator.

A four-year letterman (1972-75) as a defensive end and linebacker at Nicholls State in Thibodaux, La., April coached at Chalmette High School for two years, 1976-77, after receiving his degree in physical education from Nicholls. He earned his master's in athletic administration from Southern Mississippi in 1983.

A three-year starter at quarterback at Notre Dame (1972-74), Clements led the Fighting Irish to a 29-5 record in that time, including the 1973 national championship with an unbeaten record. He also started a record 34 consecutive games during that time. He was selected All-American and was fourth in the balloting for the Heisman Trophy as a

WALT COREY, Defensive Line

Walt Corey enters his third season with the Saints possessing 26 seasons of NFL experience as well as four Super Bowl appearances as defensive coordinator.

Under Corey, the Saints defensive line has emerged as the team's strongest unit. The development of DT La'Roi Glover, who led the Saints with 10 sacks in 1998, and DE Joe Johnson, who made his first Pro Bowl in 1998, demonstrate the point.

In 1997, the Saints defensive line was a major factor in the team's success as the fourth-ranked defense in the NFL. Under Corey, New

Orleans' defensive line registered 37 of the Saints' season-record and NFL-leading 59 sacks. Corey joined the Saints after spending 8 seasons (1987-94) with the Buffalo Bills where he

served as defensive coordinator/linebackers coach, and led the Bills to the top-ranked defense in the AFC in 1988 after ranking 24th in the NFL just two years prior.

His first coaching assignments came as defensive coordinator at both Utah State (1967-69) and the University of Miami (1970), his alma mater. He left the collegiate ranks to coach linebackers with Kansas City (1971-74), his first of two stints with the Chiefs. He first served on the Chiefs staff handling linebackers and special teams, later (1978-86) coaching defensive line and secondary, then serving as defensive coordinator/linebackers coach. In between his time with the Chiefs, Corey coached the linebackers at Cleveland (1975-77).

Corey started his NFL career as a linebacker with the Dallas Texans/Kansas City Chiefs (1960-66) and is the only active NFL coach to have played in Super Bowl I. Corey played four years (1956-59) at the University of Miami at defensive end, and was inducted into the Western Pennsylvania Hall of Fame in May 1994.

FIRST IMPRESSIONS

Running back Derek Brown was the last Saint to register a touchdown in his first NFL game. On September 5, 1993 against the Houston Oilers at the Superdome, Brown scored on a two-yard run in the fourth quarter as the Saints went on for a 33-21 opening-day victory. The first Saint to accomplish this feat was wide receiver John Gilliam, a second-round draft choice in 1967. Gilliam took the opening kickoff in the club's first-ever regular season game, September 17, 1967 versus the Rams at Tulane Stadium, and raced 94 yards for a touchdown.

SAINTS DRAFT CHOICES

The first combined AFL-NFL draft was held in 1967. A player's order of selection among the players drafted is designated by a number after his position. In 1967, the expansion New Orleans Saints received first and last choices in each round and one additional choice at the end of the second, third and fourth rounds.

On February 10, 1967, the Saints selected 42 players in an expansion draft, using the same procedures as in the formation of the Atlanta Falcons in 1966. The Falcons were exempted from the expansion draft in 1967, thus leaving 14 teams from whom the Saints selected players. The procedures that were in place for the Saints were: each of the other 14 NFL teams froze 29 players from its 40-man roster, leaving 11 players available to be selected by the Saints. The Saints chose one player from those 11 remaining on each team. Then, each team froze two additional players, leaving eight on each list, from which the Saints chose two more each.

SAINTS 24. RAMS 17 September 6 at TransWorld Dome (56,943)

The Saints opened the scoring with 12 minutes left in the first quarter, as DT La'Roi Glover forced Rams' RB Jerald Moore to fumble, which was returned five yards by St. Louis native DE Joe Johnson, who was signed just four days earlier, for his first career touchdown. On the next play following a Billy Joe Hobert pass that was thrown slightly past a wide open Cam Cleeland in the end zone, RB Lamar Smith threw a 15-yard pass to a wide-open WR Andre Hastings for the Saints second touchdown of the first quarter. K Doug Brien, who has only missed four field goals each of the past two seasons, added a 36-yard field goal on the Saints first possession of the second quarter. On the Saints third possession of the second quarter, Hobert scrambled and found RB Lamar Smith, who bobbed and weaved through nearly half of the Rams defense for a 35-yard touchdown, his first with the Saints. The Rams answered with a touchdown of their own to close out the first half, when RB Jerald Moore recovered his own fumble in the end zone. The Rams also posted scores in the third and fourth quarters, with a 15-vard pass from Tony Banks to Eddie Kennison and a Jeff Wilkins 34-yard field goal with 1:26 left in the game. TE Carn Cleeland, in his first NFL game, led the Saints with four recentions for 82 yards. The Saints defense, which led the NFL with 59 sacks in 1997, and entered the game with the longest active streak of consecutive games with a sack (49), posted six sacks on the day, extending their consecutive games streak to 50, 18 shy of the NFL-record 68, set by the Dallas Cowboys (10/24/76 - 12/7/80). The Saints record runs from the final game of the 1994 season, at Denver, 12/24, through this contest.

SAINTS 19, PANTHERS 14 September 13 at Superdome (51,915)

The Saints opened the scoring on the third play of the game as OB Danny Wuerffel found WR Sean Dawkins on a quick slant that turned into a 64-yard touchdown. Dawkins outran four Panthers' defenders en route to the longest touchdown catch of his career. The Panthers answered the Saints early score with a 1yard TD run by FB William Floyd early in the second quarter. K Doug Brien booted a 46-vard field goal to give the Saints a 10-7 lead, which proved to be short-lived as the Panthers entered halftime owning a 14-10 lead after QB Kerry Collins found WR Mushin Muhammad on a 17-yard TD with 1:00 left in the half. The Saints held the Panthers scoreless for the rest of the game. Brien added a 56-vard FG with :26 left in the third quarter for the longest field goal of his career and tied the third-longest FG in Saints history. RB Ray Zellars bulled his way over Panthers' CB Doug Evans, sealing the victory with a 15-yard TD run on the Saints' first possession of the fourth quarter. WR Sean Dawkins posted his sixth 100-yard receiving day, catching five passes for 110 yards in his first game as a Saint, while the Saints rushing attack piled up 207 yards on the ground, the most since 9/12/93, when they had 227 yards on 31 rushes at the Georgia Dome. The Saints defense, which led the NFL with 59 sacks in 1997, and entered the game with the longest active streak of consecutive games with a sack (50), posted three sacks on the day, extending their consecutive games streak to 51, 17 shy of the NFL-record 68, set by the Dallas Cowboys (10/24/76 - 12/7/80). The Saints record runs from the final game of the 1994 season, at Denver, 12/24, through this contest.

SAINTS 19, COLTS 13 (OT) September 27 at RCA Dome (48,480)

RB Lamar Smith, who was signed from Scattle in the offseason, piled up a career-best 157 rushing yards on 24 carries. Colts QB Peyton Manning also passed for 309 yards, while Colts RB Marshall Faulk totaled 128 receiving yards. The Colts provided the only scoring of the first quarter as Mike Vanderjagt booted a 52-yard field goal. Vanderjagt hit on a second attempt, this one from 19 yards, to spot the Colts a 6-0 lead. The Saints Doug Brien answered the Colts scoring with a 22-yard field goal just before halftime following S Rob Kelly's interception and a 20-yard field goal to open the scoring in the third quarter following an interception by S Chad Cota. The Colts' QB Peyton Manning completed a short pass to RB Marshall Faulk and Faulk did the rest, rolling for 78 yards to give Indianapolis a 13-6 lead. That lead appeared secure as the Saints faced a fourth-and-17 on their own 41-yard line until QB Danny Wuerffel completed a 44-yard pass to former Colt WR Sean Dawkins, who signed with the Saints in the offseason. On the very next play, Wuerffel hit WR Andre Hastings for a 15-yard TD to send the game into overtime. There, an interception by CB Tyronne Drakeford gave the Saints the ball at the Colts' 36yard line, and two plays later, Wuerffel hit TE Cameron Cleeland who sprinted 33 yards for the game-winning touchdown. The Saints defense, which led the NFL with 59 sacks in 1997, and entered the game with the longest active streak of consecutive games with a sack (51), posted three sacks on the day, extending their consecutive games streak to 52, 16 shy of the NFL-record 68, set by the Dallas Cowboys (10/24/76 - 12/7/80). The Saints record runs from the final game of the 1994 season, at Denver, 12/24, through this contest. LB Mark Fields led the charge with 12 tackles (11 solo) and two sacks, and was named NFC Defensive Player of the Week for his efforts. Lamar Smith was nominated for NFC Offensive Player of the Week and P Mark Royals was nominated for NFC Special Teams Player of the Week after averaging 53.1 yards per punt on seven kicks.

PATRIOTS 30, SAINTS 27 October 4 at Superdome (56,172)

The Saints fell to the New England Patriots for their first loss of the 1998 season, despite career-highs for QB Danny Wuerffel and four New England turnovers, their first of the season. The Saints defense set the tone for the day, when LB Keith Mitchell stripped Patriots' OB Drew Bledsoe following an Ink Aleaga sack, and raced 63 yards for the game's first touchdown. The Patriots answered to take the lead with a 6-yd. TD pass from Bledsoe to WR Vincent Brisby, and extended the lead when RB Robert Edwards rumbled in from eight yards out. Mike Ditka and offensive coordinator Danny Abramowicz showed a gambler's mentality, as Wuerffel found rookie TE Cameron Cleeland on a 1-yard TD pass on the final play of the first half. DT Henry Thomas intercepted a Wuerffel pass and shook off several Saints, as he ran 24-yards for the Patriots, as they took a 24-14 lead. Each team traded field goals, when Wuerffel found RB Lamar Smith for a 7-yard TD pass. Brien added his second field goal of the game to knot the score at 27, but Patriots K Adam Vinatieri kicked the game winner with :03 left. The Saints defense, which led the NFL with 59 sacks in 1997, and entered the game with the longest active streak of consecutive games with a sack (52), posted three sacks on the day, extending their consecutive games streak to 53, 15 shy of the NFL-record 68, set by the Dallas Cowboys (10/24/76 -12/7/80). The Saints record runs from the final game of the 1994 season, at Denver, 12/24, through this contest. S Chad Cota led the defense with 14 tackles (11 solo) and the Saints secondary also came on strong, posting three interceptions of Bledsoe, who had gone 115 passes without an interception, and gave the Saints the second-most interceptions in the NFT.

49ERS 31, SAINTS 0 October 11 at Superdome (62,811)

The Saints dropped their second consecutive game of the 1998 season, falling to the 49ers, 31-0, before a sellout crowd at the Superdome. The 49ers defense limited the Saints to just two first downs and 46 yards through three quarters of play. Niners QB Steve Young became just the second player to throw for five consecutive 300-yard games, joining former 49er Joe Montana. In the contest, Young also became the 20th player in NFL history to throw for over 30,000 yards in his career. For the first time in 1998, the Saints defense did not force a turnover. The Saints offense continued its string of five consecutive games in 1998 to not turn the ball over by a fumble in 1998. The Saints defense, which led the NFL with 59 sacks in 1997, and entered the game with the longest active streak of consecutive games with a sack (53), posted one sack on the day, extending their consecutive games streak to 54, 14 shy of the NFL-record 68, set by the Dallas Cowboys (10/24/76 - 12/7/80). The Saints record runs from the final game of the 1994 season, at Denver, 12/24, through this contest. LB Kevin Mitchell led the defense with 11 tackles (6 solo) against his former team.

December 6 Superdome (65,065)

The Saints, led by a version of the old Chicago Bears defense, manhandled the Dallas Cowboys, 22-3, before a crowd of 65,065 at the Superdome. The Saints have not allowed a home opponent to score a touchdown since October 11. The Saints held the Cowboys to the lowest rushing total in their history, limiting them to just eight yards on 18 carries. Seven of the Cowboys 18 rushes went for negative yardage. It was the second-best defensive rushing performance in Saints history. The 3 points scored by the Cowboys was their lowest total in over seven years, when they lost 24-0, at Dallas to the Philadelphia Eagles, 9/15/91. RDT La'Roi Glover and RDE Joe Johnson put the pressure on QB Troy Aikman all day, with Glover registering the Saints 2 sacks on the day, and pressuring Aikman into throwing the ball away while in his own end zone, giving the Saints a safety on the Cowboys second play from scrimmage for a 2-0 lead. The Cowboys managed a first-quarter field goal for their only scoring of the game. The entire Saints defense pressured Aikman and limited him to just 174 net passing yards. QB Kerry Collins completed 16-28 passes for 239 yards, with two touchdowns and one interception. The Saints also ran for over 100 yards, going for 113 on the ground for the first time since game 10, vs. St. Louis. The Saints are now 4-0 in 1998 in contests in which they gain over 100 yards on the ground. WR Andre Hastings had a career-day, catching 4 passes for a career-best 122 yards and a touchdown. FALCONS 27, SAINTS 17 December 13 at Superdome (61,678)

The Saints, who held their playoff fate in their own hands, fell to the Atlanta Falcons, 27-17, before a crowd of 61,678 at the Superdome. The 27 points scored by the Falcons marked the first time since 10/11/98 that the Saints allowed a home opponent to score more than 3 points in a game. The Saints allowed the most total vards under Mike Ditka's tenure, as the Falcons ran up 504 yards of total offense, marking the first time since 11/19/95, when Minnesota piled up 544. Just one week after holding Dallas to the lowest rushing total in their history (8 yds.), Atlanta rushed for 182 on the ground, the most given up by the Saints this year. Despite the yardage totals, the Saints defense kept the team in the game, providing two touchdowns, one on a 63-yard interception return by CB Fred Weary, who recorded the first two interceptions of his career, and one on a 36-yard fumble return by LB Mark Fields, following a Keith Mitchell sack of Falcons QB Chris Chandler. Those two defensive touchdowns helped the Saints set a team record with 8 defensive touchdowns in 1998, eclipsing the previous high of 6, set in 1992. RDE Joe Johnson led the Saints with 8 tackles (all solo) on the day, and recorded one of the Saints' 3 total sacks, for an 8-yard loss. LB Keith Mitchell recorded a 13-yard sack and forced a fumble on the play, which Fields took to the end zone. S Chris Hewitt also posted a sack for a 2-yard loss. OB Kerry Collins, who completed 6-14 for 87 yards, threw three early interceptions and fumbled once, and was replaced by OB Billy Joe Tolliver, who led the Saints to their only offensive score of the day, a 36-yard Doug Brien field goal. Brien has now connected on 19-20 on the year. Tolliver was 12-23 for 82 yards in just over two quarters of play. K Doug Brien continued with the best kicking effort of his career, converting on 1-1 field goal attempts, from 36-yards out.

CARDINALS 19, SAINTS 17 December 20 Sun Devil Stadium (51,617)

The Saints traveled to Sun Devil Stadium and were defeated by the Arizona Cardinals, 19-17, on a last-second Chris Jacke 36yd. field goal, his fourth of the day. The loss by New Orleans eliminated them from playoff contention. Both teams entered the day in control of their own playoff destiny by virtue of Tampa Bay's loss on Saturday to the Washington Redskins. S Sammy Knight led a defensive effort that continues to put up amazing numbers. Knight intercepted a second-quarter Jake Plummer pass and returned it 39 yards for a touchdown, his second return for a score this season. The interception gives Knight a careerhigh 6 interceptions in 1998, and the score adds to the defense's club-record for defensive touchdowns, now at 9, eclipsing the previous club record of 6, set in 1992. Knight also led all Saints with 10 tackles and recovered a fumble in the end zone, preventing a Cardinals touchdown. The Saints, after allowing their first 500+ yard defensive effort under Mike Ditka just one week prior, allowed their second, giving up 513 yards to the Cardinals offense. QB Kerry Collins was steady at the helm, completing 25-43 for 265 yards and a touchdown, connecting with TE Cameron Cleeland on a 13-yd, scoring strike with just over a minute to play. Unfortunately, the Saints left Plummer a little too much time to work with, as he drove the Cardinals offense from their own 8 to the Saints 40 in just two plays. Following a 21-yd. scamper, Plummer put the ball close enough for Jacke, who had already missed one field goal earlier in the game. K Doug Brien continued with the best kicking effort of his career, converting on 1-2 field goal attempts, from 28-yards out. Brien has converted a career-best 90.9% of his kicks (20-22) in 1998.

BILLS 45, SAINTS 33 December 27 at Superdome (39,707)

The Saints matched their 1997 record of 6-10, dropping a 45-33 contest to the Buffalo Bills at the Superdome. The loss was just the Saints third in their final game of the season in the last 10 years. The Saints fell behind early, 28-0, thanks to Buffalo touchdowns on their first three possessions, and by Buffalo scoring another TD just into the second quarter. The Saints cut that lead in half, when QB Billy Joe Tolliver, replacing an ineffective Kerry Collins, led the Saints to two second quarter touchdowns and sparked a New Orleans comeback. RB Troy Davis scored his first rushing touchdown as a professional, from 1 yard out, and RB Aaron Craver added another rushing TD, his also from a yard out. WR Brett Bech enjoyed the best day of his professional career, nearly bringing the Saints back from defeat. Bech posted only 4 receptions, but two of them were for touchdowns, one from 10 yards out in the third quarter to bring the Saints within 10 points, and one on a career-best 72-yard reception, that he made after outjumping two defenders and outracing one of them after the catch. He then recovered an onside kick and narrowly missed a third touchdown reception, that would have made him only the second person in team history to accomplish that feat (equalling offensive coordinator and former Saints wide receiver Danny Abramowicz). Rookie TE Cameron Cleeland also posted the best receiving day of his career, giving him the team lead in receptions for the season. Cleeland hauled in 10 passes for 112 yards, including a 5-yard touchdown pass. Rookie RB Wilmont Perry, starting his second NFL game, also enjoyed career numbers. Perry gained 45 yards on 9 carries, and equalled his season-best with a 19-yard run in the second quarter. Rookie LB Chris Bordano led the defensive charge, posting 9 tackles on the day (8 solo), including his first career sack, for a 2-yard loss. LB Mark Fields had 8 tackles on the day (6 solo) and a sack for 8 yards.

CHRONOLOGY OF UNIFORM CHANGES

The following is a catalogue of uniform changes since the Saints' inception in 1966:

1967 — Gold pants with black and white striping; black jerseys with gold numerals and white trim with white and gold piping on sleeves; white jerseys with gold numerals and black trim with black and gold piping on sleeves. Gold helmet with black Fleur-de-Lis on either side, and black and white striping down the middle.

1969 — For preseason games exclusively — Black helmets with gold Fleur-de-Lis on either side and gold and white striping down the middle. Helmets have been gold ever since.

1971 — The color of the numerals changed. Black with gold trim on white jerseys and white with gold trim on black jerseys.

1975 — Pants were changed from gold to white with black and gold striping.

1976 — Black pants were introduced to be worn worn with white jerseys. Gold and white striping down the sides. Same white pants worn with the black jerseys. The facemask changed from grey to black.

1983 — Numbers changed to "San Diego-style" numerals. Thin border around the number with no direct contact between the number and the border. The second change was from socks with black and gold piping to solid black.

1986 - Gold pants with wide solid black stripes were initiated. The state Fleur-de-Lis patch appears on either side of the pants. The jersey was redesigned with TV numbers on the shoulders, and the state Fleur-de-Lis on either sleeve. The stripes on the sleeves were eliminated. The socks feature a wide gold stripe on a black background

1991 — 25th anniversary patches were worn on the left shoulder.

1994 - For three games (3 through 5), the Saints were their 1967 style uniforms for their "throwbacks games", a league-wide program commemorating the NFL's 75th Anniversary.

1996 - Traditional Fleur-de-Lis replaces state logo on jerseys and pants. Player name and numbers changed from screen-on type to "tackle twill" style, made of cloth and sewed onto jersey. Numbers changed to gold with black outline on white jerseys and gold with a white outline on black jerseys. Stockings changed from thick gold and black stripe over white to solid black over white.

1999 - On the white road jerseys, the numbers and lettering changed to black with gold outline, and pants will change from gold with black stripe to black with a gold stripe to complete the road uniform.

PLAYOFF GAME SUMMARIES

VIKINGS 44, SAINTS 10 January 3, 1988 at Superdome (68,127)

In the Saints' first-ever playoff game, things started quickly, as the Vikings fumbled on the second play from scrimmage. Two plays later, it was 7-0 as Bobby Hebert hit Eric Martin for a 10-yard TD pass. But from there, it was all downhill as Minnesota-scored 31 points in the first half, and never looked back. A crucial play in the game came on the final play of the first half, as Wade Wilson's 'hail Mary' pass was caught by the Vikings' Hassan Jones in the end zone. Down 31-10, Dave Wilson relieved Bobby Hebert midway through the third quarter, but the results were similar. The Saints could not manage a first down rushing in the game, and were held to nine first downs overall. Meanwhile, the Vikings controlled the ball for over 41 minutes of the game. To make matters worse, Rueben Mayes tore knee ligaments that required surgery.

BEARS 16, SAINTS 6 January 6, 1991 at Soldier Field (60,767)

The Bears got the first break of the day when John Mangum picked off a Steve Walsh pass at the Saints' 33 on the game's first series, setting up a Kevin Butler field goal. Chicago opened a 10point lead when Mike Tomczak connected with James Thornton. The Saints took advantage of a Maury Buford 19-yard punt that landed at the Bears' 47, when Morten Andersen hit a field goal with 1:38 to play in the half. It was a costly scoring march, however, as Walsh was forced to leave the game with a separated shoulder. The Saints appeared to tie the score at 10 when Renaldo Turnbull blocked a Butler 45-yard field goal and Vince Buck scampered 61 yards for the score, but Robert Massey was flagged for lining up offsides, nullifying the apparent TD. Seven plays later, Butler converted his second field goal. Following a Butler missed field goal attempt from 36 yards out, the Saints took over at their own 20 and traveled 59 yards before Andersen hit his second 3-pointer of the game to cut the Bears' lead to seven. Chicago iced the game on Butler's third field goal of the game with 2:37 to play. Shaun Gayle intercepted a John Fourcade pass on the next offensive play, sealing the Saints' fate. Sam Mills led the Saints defense with a game-high 12 tackles, while Turnbull tallied two sacks.

The Saints took the ball on their opening possession and traveled 78 yards in 8:57 towards a Bobby Hebert to Floyd Turner TD pass. The Saints looked as if they might open a 14-point lead, but Deion Sanders picked off an Hebert pass in the end zone on thirdand-goal from the 3. Rickey Jackson stripped the ball from Chris Miller at the Saints' 48 on the first play of the second quarter, setting up a Morten Andersen field goal six plays later. The Falcons answered with an 80-yard drive that ate up 9:34 of the clock and ended with a Miller to Andre Rison touchdown. A Norm Johnson field goal with 37 seconds remaining in the half tied the score, but a Fred McAfee 39-vard kickoff return and a 26-vard completion from Hebert to Dalton Hilliard set up an Andersen field goal with no time left in the half. Atlanta took their first lead of the day when Miller connected with Michael Haynes for a TD 5:01 into the third quarter. New Orleans responded with a 19-play, 80-yard drive that used 10:49 of the clock and concluded with a Dalton Hilliard scoring run 50 seconds into the final frame. Atlanta tied the game when Johnson booted his second 3-pointer of the game midway through the fourth quarter, and scored the game winning points on a Miller to Haynes TD connection with 2:41 left to play. The Saints were driving at the Falcons' 35 with 1:10 to play, but Tim McKyer intercepted Hebert's pass. DE Frank Warren led the Saints' defensive charge with two sacks.

1999 INSTANT REPLAY SYSTEM

The system begins with the replay booth receiving a "live" feed from the network television control truck covering the game.

The "technician" in front of the live-feed monitor cues up the live play by pressing the "make play" button on his console as the ball is snapped. That automatically puts the play on a "touch-screen monitor" positioned in front of the replay assistant. When a replay comes up from the truck, the technician presses a "make replay" button and that automatically pops up on the touch-screen monitor. The monitor can accommodate six replay angles of a single play.

The "replay assistant" is positioned in front of the touch-screen monitor. This person decides which replays will be relayed to the field monitor for review by the referee after a coach's challenge is issued, and whether an official's time-out will be called for a play review in the final two minutes of each half and overtime.

The "video operator," at the instruction of the replay assistant, will tap the touch-screen monitor (similar to a bank's automatic teller machine that prompts commands by the tapping of its screen) to transfer one of the replays to the booth's third monitor that is positioned between him and the replay assistant. The video operator can control the speed of the playback on this monitor by the turn of a dial. This is the monitor on which the replay assistant will view all replays. The video on this monitor is what the referee on the field will see.

The "communicator" is the replay booth's "eyes to the field." While the technician, replay assistant and video operator are doing their jobs, the communicator, stationed in back of the other three, is watching the field. He will advise the replay assistant - who is busy viewing the monitor -- that "they're in the huddle," "they're on the line" and "the ball is snapped" so the replay assistant will know that the next play has started, negating the possibility of a replay. He will also report to the replay assistant if an official ruling (e.g. holding, illegal procedure, etc.) has been made on the field following a play that might eliminate the need for a replay.

The communicator also is the timer of the 90 seconds allocated to the referee to make a decision on a replay. Once 90 seconds are reached, the communicator will hit a red button on the console in front of the replay assistant that will automatically shut off the field-level monitor, signaling to the referee that the 90 seconds has expired and the review is over. The referee must then announce his decision.

If needed, the communicator will also explain a referee's ruling to the TV truck and to the teams' public relations directors in the press box for dissemination to the media.

A "buzzer system" will be utilized to signal the call for a replay. Before the final two minutes, the head coach will buzz the referee and replay booth that he challenges a play and wants a review. Within the final two minutes, the booth will

buzz the referee, calling for a replay. The head coaches will wear a belt pack containing a buzzer. When pressed, the buzzer will simultaneously signal the referee, umpire and replay booth that a replay is being requested.

There will be three replay monitors at field level in open-air stadiums. Two will be positioned at opposite 20yard lines near the sideline wall. A third will be in a runway, for use if there is inclement weather. Two monitors will be used in domed stadiums.

As the referee approaches the monitor, his first replay will await him. His 90 seconds for a decision begins when he puts on the headphones that put him in contact with the replay booth.

1999 RULES OF REPLAY

COACHES CHALLENGE — Outside the final two minutes of each half, each team will be permitted two challenges per game that will initiate referee reviews. Each challenge will cost a team a time-out. If a challenge is upheld, the time-out will be restored, but the challenge will not. No challenges will be recognized from a team that has exhausted its time-outs.

FINAL TWO MINUTES OF EACH HALF — After the two-minute warning of each half, and throughout any overtime period, any referee review will be initiated by the replay assistant in the replay booth in the press box. He can initiate as many review requests as he thinks necessary, no matter how many time-outs the teams may have. No time-out will be charged for a review initiated from the replay booth.

REFEREE REVIEW — All replay reviews will be conducted by the referee on a field-level monitor after consultation with the other covering officials on the play. A decision will be reversed only when the referee has indisputable visual evidence that the call should be changed. The referee cannot initiate a replay in any instance.

TIME LIMIT — Reviews will be a maximum of 90 seconds, timed from when the referee puts on the head phones to the replay booth.

REVIEWABLE PLAYS — The instant replay system will cover a variety of plays in three main areas - 1) sideline, goal line, end zone, and end-line plays; 2) passing plays; and 3) other detectable infractions, such as a runner ruled down not by defensive contact, and the number of players on the field.

NFL PLAYOFF TIEBREAKERS

DIVISION TIEBREAKERS

- 3. Best won-lost-tied percentage in games played within the conference.
- Best won-lost-tied percentage in common games, if applicable.
- 5. Best net points in division games.
- 6. Best net points in all games.
- 7. Strength of schedule.
- 8. Best net touchdowns in all games.
- 9. Coin toss.

Three or More Clubs

(Note: If two clubs remain tied after a third club is eliminated during any step, the tiebreaker reverts back to step 1 of the two-club format)

- 1. Head-to-Head (best won-lost-tied percentage in games among the clubs).
- 2. Best won-lost-tied percentage in games played within the division.
- 3. Best won-lost-tied percentage in games played within the conference.
- 4. Best won-lost-tied percentage in common games.
- 5. Best net points in division games.
- 6. Best net points in all games.
- 7. Strength of schedule.
- 8. Best net touchdowns in all games.
- 9. Coin toss.

WILD CARD TIES

If it is necessary to break ties to determine the three Wild Card clubs from each conference, the following steps will be taken.

- 1. If the tied clubs are from the samne division, apply the division tiebreaker.
- 2. If the tied clubs are from different divisions, apply the following steps.

Two Clubs

- 1. Head-to-Head, if applicable,
- 2. Best won-lost-tied percentage played within the
- 3. Best won-lost-tied percentage in common games, minimum of four.
- Best average net points in conference games.
- 5. Best net points in all games.
- 6. Strength of schedule
- 7. Best net touchdowns in all games.

Three or More Clubs

(Note: If two clubs remain tied after third or other clubs are eliminated, tiebreaker reverts to step 1 of applicable two-club format.

- Apply the division tiebreaker to eliminate all but the highest ranked club in each division prior to proceeding to step 2. The original seeding within a division upon application of the division tiebreaker remains the same for all subsequent applications of the procedure that are necessary to identify the three Wild Card participants.
- 2. Head-to-Head sweep (applicable only if one club has defeated each of the others or one club has lost to each of the others).
- Best won-lost-tied percentage in games played within the conference.
- Best won-lost-tied percentage in common games, minimum of four.
- 5. Best average net points in conference games.
- 6. Best net points in all games.
- 7. Strength of schedule.
- 8. Best net touchdowns in all games.
- 9. Coin toss.

When the first Wild Card team has been identified, the procedure is repeated to name the second Wild Card, i.e. eliminate all but the highest-ranked club in each division prior to proceeding to step 2, and repeated a third time, if necessary, to identify the third Wild Card. In situations where three or more teams from the same division are involved in the procedure, the original seeding of the teams remains the same for subsequent applications of the tiebreaker if the top-ranked team in that division qualifies for a Wild Card berth.

GLOSSARY OF MEDICAL TERMS

Taken from the Professional Football Athletic Trainers Society (PFATS) 1998 Media Guide.

ATC — Athletic Trainer Certified; athletic trainers with this designation have passed the certification exam administered by the NATA.

A-C Joint — Acromioclavicular joint; joint of the shoulder where acromion process (of the scapula) and the distal end of the clavicle meet; most shoulder separations occur at this point.

Achilles Tendon — The tendon at the back of the heel connecting the calf muscle to the heel bone.

Anterior Cruciate Ligament (ACL) — Ligament of knee attaching to anterior tibial plateau and posterior medial aspect of femoral condyle. It provides stability in keeping the lower leg from coming forward.

Anti-inflammatory — Any agent which prevents inflammation (such as aspirin or ibuprofen).

Arthroscope — An instrument used for visualization of the interior of a joint cavity; sometimes referred to as "scope."

Arthroscopy — Examination of the internal structures of a joint by means of surgical viewing apparatus (arthroscope) inserted into the joint.

Bone Scan — "Radionuclide Imaging," which is useful to demonstrate stress fractures not evident on routine x-

Burner — Common term for brachial plexus trauma in the neck. Usually results in burning or tingling sensation into the shoulder or arm when the neck is forced beyond the normal range of motion.

CT Scan (Computerized Tomography) — Use of computed radiographic equipment to get a cross sectional image of an anatomical area. Is best to visualize bony structures. It is also referred to as a CAT scan.

Chondral Fracture — Fracture to the chondral (cartilaginous) surfaces of bone.

Chondromalacia — A roughening of the cartilage surface. Best known for the roughening of the underside of the kneecap.

Concussion — A trauma-related injury to the head usually resulting in excessive forces being rapidly applied to the head and/or cervical spine. This injury is usually due to a blow to the head from the ground or opposing player. This injury is graded as mild, moderate or severe depending on severity of changes of consciousness, memory and/or equilibrium.

Degenerative Joint Disease — Changes in the joint surfaces as a result of repetitive trauma.

Dehydration — Condition resulting from excessive loss of body fluid, where fluid output exceeds fluid intake. Symptoms usually arise when fluid loss is in excess of 2 percent of the person's body weight.

Edema — Accumulation of fluid in organs and tissues of the body (swelling).

Electrolyte Drink — Fluid for replacing electrolytes, such as Gatorade® Thirst Quencher.

EMG — Electromyogram test to check nerve function.

Fracture — Breach in continuity of a bone. Types of fractures include simple, compound, comminuted, greenstick, incomplete, impacted, longitudinal, oblique, stress or transverse.

Groin — The upper and inner thigh where the adductor muscles originate that are responsible for moving the leg in an inward or adduction direction.

Hamstring — Muscle running from the buttocks to behind the knee. Often injured as a result of improper conditioning or lack of muscle flexibility. Muscle responsible for flexing the knee joint.

Heat Stroke — Condition of rapidly rising internal body temperature that overwhelms the nervous system's mechanisms for release of heat.

Heat Exhaustion — Mild form of shock resulting from inadequate replacement of fluids lost through sweating and uncontrolled increase in body core temperature.

Heat Cramps — Painful muscle spasms of arms or legs, likely caused by depletion of fluids and electrolytes. High "Interosseous" Ankle Sprain — An injury to the Interosseous membrane, which is the fibrous tissue that stabilizes the two bones of the shin (tibia and fibula). This injury is usually due to excessive ankle rotation along with accompanied trauma to the ligamentous structures of the ankle joint.

Interosseous Membrane — Uniting membrane between the tibia and fibula that forms a collagenous fibrous tissue. It has two functions: to serve as an origin for many of the muscles of the lower leg, and to transmit stress

from the tibia to the fibula. Lateral Collateral Ligament (LCL) — Ligament of knee attaching lateral femoral condyle to the fibula head. It provides lateral stability to the knee.

Ligament — Band of fibrous tissue that connects bone to bone or bone to cartilage and supports and strengthens joints.

Magnetic Resonance Imaging (MRI) — Provides highly detailed pictures of the body's interior, using magnetic fields. It is especially useful in athletic injuries to visualize soft tissues such as ligments and tendons.

Medial Collateral Ligament (MCL) — Ligament of knee attaching to medial femoral condyle and to medial tibia. It provides medial stability to the knee.

Meniscus — Crescent-shaped cartilage of the knee located between the femur and the tibia bones.

Plantar Fascia — The tight band of muscle and connective tissue beneath the arch of the foot.

PNF (Proprioceptive Neuromuscular Facilitation) — An approach to therapeutic exercise based on the principles of functional human anatomy and neurophysiology.

Posterior Cruciate Ligament (PCL) — Ligament of the knee attaching to posterior tibial plateau and anterior lateral aspect of femoral condyle. It provides stability in keeping the lower leg from going backward.

Progressive Resistance Exercise (PRE) — An approach to exercise whereby the load or resistance to the muscle is applied by some mechanical means and is quantatively and progessively increased over time.

Quadriceps (Quads) — The four powerful muscles in the front of the thigh, responsible for extending the knee ioint.

Rotator Cuff — Comprised of four muscles in the shoulder area; supraspinatus, infraspinatus, teres minor and subscapularis. Often irritated by overuse.

S-C Joint — Sternoclavicular joint; articulation between the sternum and the clavicle.

Sciatic Nerve — Largest nerve in body located in back of leg which controls most of its function.

Sciatica — Irritation of the sciatic nerve, resulting in pain or tingling running down the inside of the leg.

Shin Splint — A catch-all syndrome describing pain either in the front of the lower leg or on the inner aspect of the lea.

Shoulder Separation — Refers to a sprain of the A-C joint where the tip of the clavicle may be elevated from its normal position of attachment on the acromion process.

Sprain — A joint injury. A violent, twisting, stretching, pulling or tearing of a ligament.

1st Degree — A stretching but no tear of a ligament. Athlete may be able to continue to play or usually return to play in a few days.

2nd Degree — A partial tear of a ligament. Bracing may be required. Athlete will usually miss one to

3rd Degree — A complete tear of a ligament. Depending on ligament involved, bracing or even surgery may be required. Athlete is usually out from three weeks up to 12 months depending on course of treatment.

Stinger — Common term for brachial plexus trauma in the neck.

Strain — A muscle injury. The stretching, pulling or twisting of a muscle or tendon.

1st Degree — A stretching but no tear of a muscle or tendon. Athlete may be able to continue to play or usually return to play in a few days.

2nd Degree — A partial tear of a muscle or tendon. Athlete will usually miss one to four weeks.

3rd Degree — A complete tear of a muscle or tendon. Depending upon muscle or tendon involved, surgery may be required. Athlete is usually out from six weeks up to six months.

Stress X-Ray — A continual x-ray taken when a portion of the body is stressed to its maximum to see if the liqaments are intact.

Stress Fracture — A hair-line type of break in bone caused by overuse.

Stretching — Any therapeutic maneuver designed to lengthen (elongate) pathologically shortened soft-tissue structures and thereby increase range of motion.

Subluxation — Partial dislocation of a joint. Term usually implies that joint can return to normal position without formal reduction.

Tendinitis - Inflammation of the tendon and/or tendon sheath, often caused by chronic overuse and/or sudden injury.

Turf Toe — Sprain of the metatarsophalangeal (MTP) joint of the great toe.

NEW ORLEANS SAINTS FACILITY

On April 15, 1996, a first in New Orleans Saints history occurred when the entire organization moved into the club's new facility, located at 5800 Airline Drive in Metairie. It marked the first time ever that Saints coaches, players and staff have been housed under one roof.

The two story, 65,000 square foot facility, which is situated on a 19.2 acre tract, contains three practice fields. Two, which are laid out symmetrically, are planted with Bermuda grass and are surrounded by an asphalt, half-mile running track. The third field is made up of 70 yards of artificial turf and 50 yards of grass. Also outside is a full-length basketball court.

The first floor is approximately 43,000 square feet, and serves primarily the needs of the players. It also consists of a reception area, ticket office, media workroom and storage areas.

he lockerroom, which is completely carpeted, contains 75 lockers, each 44 inches wide. Adjacent to the lockeroom are a players lounge and shower area that includes a built-in whirlpool and cold dip pool, sauna room and steam room. The training room consists of nine treatment tables, a three-man taping station, three therapeutic whirlpools, one Hydro Track and Biodex rehabilitation equipment. The equipment room, which includes a loading dock making it accessible for 18-wheeler tractor trailers, is 3,600 square feet. The weight room, also fully carpeted, is 4,050 square feet.

A 1,700 square foot auditorium which sits on the first floor, can seat 110 players for team meetings, and can be divided into two rooms. On either side of the auditorium, are eight smaller team meeting rooms.

Located on the second story are offices for coaches, player personnel, the video department and administrative staff. It has the capacity for an additional 23,000 square feet.
